

**WEEKLY HOME LEARNING PLAN****Theme: Families and Diversity**

**Families:** Here is the suggested weekly activities for week 4 of our learn at home program, **May 4-8**. You can do one or more activity per day. If your family is working on something different, please let me know so I can record it for your child.

Please feel free to post on our FreshGrade with a picture or what you did. If you have any questions or need help with anything, please email me at [andrea.andrews@sd68.bc.ca](mailto:andrea.andrews@sd68.bc.ca)

Monday April 20th	Literacy	<p>Read to Self. Choose a book from home or on EPIC and read quietly for 20 minutes.</p> <p>Work on Writing. Write 1-5 sentences that explain what you did or did not like about the story. Try to include one thing that you learned from the story.</p> <p>Listen to Reading: Listen to Ms. Schiewe read "If You Plant a Seed" here <a href="https://youtu.be/vcf5yeBShAw">https://youtu.be/vcf5yeBShAw</a></p>
	Numeracy	<p><b>Money Matters Monday:</b> Work on prodigy for 20 minutes or until the green light in the corner lights up.</p> <p>Count the coins on one of the attached money counting worksheets. You can print them off or copy the questions onto a piece of paper and answer them.</p>
	Healthy Living	<p>Follow the attached gratitude scavenger hunt. Can you find everything? What are three things or people in your life you are grateful for?</p>
Tuesday April 21st	Literacy	<p>Read to Self. Choose a book from home or on EPIC and read quietly for up to 15-20 minutes (you may need to work on stamina)</p> <p>Writing: Work on Writing. Write 1-5 sentences that explain what you did or did not like about the story. Try to include one thing that you learned from the story.</p>
	Numeracy	<p><b>Telling Time Tuesday:</b> Print off the attached sheet and draw the right time on the clocks. If you don't have a printer, draw your own clocks on a piece of paper and fill in the times listed on the printable worksheet.</p> <p>Optional: Work on Prodigy for 20 minutes or until the green light in the corner lights up.</p>
	Healthy Living	<p>Attached is a craft to make a paper bag mosque or Islamic building. You can print it off, colour it and glue it together. If you don't have a printer or paper bag, you can draw the shapes on a piece of paper and make a Ramadan scene. Post a picture of your mosque or Islamic buildings on FreshGrade.</p>
Wednesday April 22nd	Literacy	<p>Read to Self. Choose a book from home or on EPIC and read quietly for 20 minutes.</p> <p>Work on Writing. Write 1-5 sentences that explain what you did or did not like about the story. Try to include one thing that you learned from the story.</p>
	Numeracy	<p><b>Wacky Work Wednesday:</b> Work on Prodigy for 20 minutes or until the green light in the corner lights up.</p> <p>Use the attached Math Decoder to figure out the secret message (which is always a fact according to Ms. Andrea).</p>
	Healthy Living	<p>Try some yoga. <a href="#">Cosmic Kids Yoga</a> is a fun way to learn new yoga moves and get some exercise. There are many different videos on this site. Try a different one each time you do it!</p>

Practice 3-5 minutes of calm breathing. Follow the link to the YouTube kids video. Follow the Puffer Fish's breathing. Replay the video a few times. It is 1 minute long.  
<https://www.youtube.com/watch?v=gLbK0o9Bk7Q&feature=youtu.be>

Thursday  
April 23rd

Literacy	<p>Read to Self. Choose a book from home or on EPIC and read quietly for up to 15-20 minutes (you may need to work on stamina).</p> <p>Work on Writing. Write 1-5 sentences that explain what you did or did not like about either one of the stories. Try to include one thing that you learned from the story.</p>
Numeracy	<p><b>Thinking Thursday</b></p> <p>Can you solve the coded math problems? Find the values for the different candies. All of the candies that look the same have the same value; example all the Swedish fish will represent the same number, all the jelly beans will represent the same number, etc. Give it a try and let me know if you think it was too easy, just right or too hard.</p>
Healthy Living	<p>Think outside the box! If you could design the dream house for your family to live in, what would it look like? Draw a picture of the house and some of the special design details (like a bowling alley or movie theatre perhaps?), try to build it out of recycled materials around your house (cardboard, straws, old toys, Lego, etc.), build it on a video game that you play (Minecraft, Animal Crossing, etc.) or write about the different spaces it would have. Does it make everyone in your family feel <i>iyus</i>?</p>

Friday  
April 24th

Literacy	<p>Read to Self. Choose a book from home or on EPIC and read quietly for up to 15-20 minutes (you may need to work on stamina)</p> <p>Writing What did you enjoy most about this week? Which activity did you like the best from your assigned schoolwork? Is there something you would like to do more of? Write out your detailed answers and let me know what you think.</p>
Numeracy	<p><b>Fun Facts Friday</b> Go on Prodigy for 20 minutes or until the green light In the top corner lights up.</p> <p>Practice putting things Into groups to work on multiplication with the attached worksheet. Write out the questions and answers on a piece of paper If you don't have a printer.</p>
Healthy Living	<p><b>Fieldtrip Friday</b> This week we are going on a family themed trip! Some of us may be celebrating Mother's Day on May 10 and some may not. So we will explore different kinds of families because we all live in families! Do you know how Animal Parents raise their little ones? Are they anything like our families? Today we'll learn about Elephant Parents, Kangaroo Parents, Penguin Parents, Mom and Dad Ducks, and more!</p> <p>For our video (YouTube) we will join Socratica kids and explore different animal families: <a href="https://youtu.be/F5C-rVaQVQ">https://youtu.be/F5C-rVaQVQ</a></p> <p>What was your favourite animal family and why?</p> <p>Our books this week are "Families" by Ann Morris <a href="https://youtu.be/gLv51idnRTI">https://youtu.be/gLv51idnRTI</a> and "Love you Forever" by Robert Munsch <a href="https://youtu.be/70aHBZEbrxo">https://youtu.be/70aHBZEbrxo</a></p> <p>Draw a picture of your own family. Include all the members of your family, colour it with at least 5 colours so it looks finished, label the members of your family if you want. Post your finished product on your FreshGrade so I can see too!</p>

**Weekly Notes:**

Dear Parents,

Over the next month our Primary teaching team will have many stories and activities related to Ramadan. It Is the month that closest resembles December/Christmas time on the Islamic calendar. We have many students that celebrate Ramadan at our school. During December, our Muslim friends participate In activities and learn about Christmas. It would be very nice for them If their friends are Interested In learning about Ramadan.

As always, any activities are suggestions and you are welcome to pick and choose which activities may best fit Into your family's schedule.

I understand that FreshGrade Is not the easiest platform for everyone (myself Included!) but I appreciate the effort of checking and posting on it. You can also send pictures to my email account so I can see what my awesome students are up to.

**Further your learning online (optional):**

- Epic (class code: **gej4278**)
- Prodigy and Reflex Math (check FreshGrade for username and password)

**Weekly Jobs:**

**Students**, just like the classroom we all need to work together so we can work in a productive and safe learning environment.

Your job this week is **LAUNDRY**. You can make sure that your dirty clothes are put in the proper place (dirty clothes pile, laundry hamper, whatever your family does for this). Make sure any clothes that you can still wear are put away where they should be (clean clothes pile, drawers, closet, etc). Try to learn how your adult folds the clothes and practice folding clothes that come out of the dryer.

Remember: you can still be your own toy manager and help with the dishes this week, too! Just like in class, we clean up after ourselves and help others.

Attachments follow:

# Thinking Thursday Math Puzzle

$$\text{fish} + \text{beans} + \text{fish} = \text{skewer}$$

$$26 - \text{skewer} = \text{watermelon}$$

$$\text{watermelon} + \text{watermelon} = 2$$

$$\text{fish} + \text{fish} = \text{watermelon} + 9$$

$$\text{skewer} - \text{beans} = ?$$
